JANUARY
2026

Local Tax Collectors turn in unpaid taxes for the prior year (2025) by January 16, 2026. **Payments for 2025 taxes cannot be taken until taxes are received into our system.** There are 25 districts in the county, and processing can take a few weeks to be completed. Once a district has been settled and balanced, payments will be accepted. Please feel free to call the office to see if your district is balanced before making a trip to the courthouse.

There is a $15.00 fee per tax turned in.
Example: County, Municipality, and School would be $45.00

Please note that the **Altoona Area School District** has chosen a third-party collection agency for their delinquent **School Taxes.**

The Contact information is
